## Responsibility Statement

It is the Tournament Convener's responsibility to ensure that all golfers maintain respect for the grounds and the equipment. Any issues will be dealt with directly through the convener.

## Policy

All liquor and food and signage will be supplied and/or served by the HGCC. Due to recent AGLC regulation changes, all persons involve in the sale or dispensing of liquor must have completed ProServe training. This means that the clubhouse must provide staff to dispense and sell all liquor on the premises. **No outside agency is able to serve liquor at the Hanna Golf & Country Club.** With these changes we have offered some drink specials (see above) to those who meet the criteria. Print this form out, fill out the details and ensure that it is in the hands of the clubhouse staff 4 days before the tournament. All cancellations must be made 4 days prior to the tournament date.
